

Certificate in Advanced Global Leadership

 go.sjsu.edu/AGL

WITH THE SILICON VALLEY EXPERIENCE

Advanced Global Leadership (AGL) certificate prepares professionals and graduate students from all disciplines to thrive in the competitive global environment of the future. This three-course (9-unit), graduate program shapes global leaders and ensures they are ready to compete in multiple organizational and cultural environments.

LEAD, INNOVATE, AND FOSTER GLOBAL CHANGE.

Innovative master teachers with global experience across industries will provide you with a unique environment to enhance your leadership potential.

“The global leadership courses permanently changed my outlook toward any business situation that I encounter.”

– Nitin Salunke, PhD, MBA

“The program was instrumental in improving my global competencies as well as the ability to make cultural perspective shifts and develop a global mindset.”

– Melissa A. Maben, PHR, MBA

ADMISSION REQUIREMENTS

- A 4-year Bachelor's degree
- 2.75 GPA

**SJSU graduate students can enroll in classes directly. Professionals who are not affiliated with SJSU should contact the certificate administrator for admission. Scan QR code for more information.*
